

Hope Lodge Volunteers

Volunteers come in all numbers. There are times when Hope Lodge volunteers come in groups. They can be churches, community clubs, workplace groups, scouting troops, and many more. Here are some ideas that groups can do for the Hope Lodge.

- Provide a themed movie night at Hope Lodge. Provide a recent “feel good” kind of movie. Bring movie theatre snacks such as Hershey Bars, licorice, snow caps, goobers. Bring sodas. Bring popcorn and make it in the kitchen so the smell adds to the event.
- Prepare a meal for guests at Hope Lodge. Choose comfort foods and foods that create smells that make them feel at home. Avoid spicy foods and keep salt and pepper to a minimum. Call a day ahead so that we can tell you our census so you know how much to make.
- Host Game Night at Hope Lodge. We don’t have many games to use here yet, but your group can bring Bingo, cards, etc...Provide snacks and fun.
- Ice Cream social. Your group can bring ice cream and all the fixings. Guests can enjoy the fun and a delicious treat at the same time.
- Groups can decorate the Lodge for any of the holidays. Supplies can be brought to the Lodge and crafts can be made to decorate the tables with centerpieces or the guest room doors. Please no fresh plants or flowers.
- Craft night. Don’t wait for the holidays! If you have a fun craft and want to share with the guests, bring it over. We’ll schedule a time and post a notice for all to join!
- Host a car wash for the guests. Free and fun! Check with the Lodge for availability of water, hoses, buckets, etc...or bring your own.
- Do you or anyone in your group play an instrument? Host a sing along or simply play enjoyable music for an evening.
- Collect items from our Wish List at your site, present and deliver them to us as a group. Great photo opportunity too!
- Maybe you have an idea of your own? Give us a call and share your ideas. We can work together and make it happen!
